About the Seminar

The Samskriti Foundation is excited to conduct the seminar on the Bharatiya 64 Arts, a pioneering endeavour that brings together experts and enthusiasts of Indian culture and heritage. During this event, distinguished stalwarts will share their knowledge and skills through engaging demonstrations and lectures, offering a unique opportunity to delve deep into the heart of India's rich and diverse cultural heritage.

At this seminar, you will have the chance to immerse yourself in the diverse world of the 64 Arts, gaining insights into traditional forms of dance, music, ancient sciences, and much more. It's not just an educational experience; it's a celebration of our heritage and an opportunity to connect with the deep-rooted traditions that continue to shape Indian culture.

The Samskriti Foundation, based out of Mysore and Melkote (an ancient town dedicated to knowledge and tradition), is a dedicated Public Trust committed to the preservation and propagation of India's profound Cultural and Scientific Heritage. We extend a warm welcome to all connoisseurs and individuals interested in this enlightening journey, and we look forward to your participation in this cultural extravaganza.

All are Welcome
